Pope's Intentions for the month of April

Universal - For Those who have Responsibility in Economic Matters. That economists may have the courage to reject any economy of exclusion and know how to open new paths.

Question of the Week : "A final constant of today's readings is repentance. Why is repentance emphasised so strongly today, when the penitential season of Lent has ended? Perhaps because sin has not. As sinners, we are always called to repentance. Fortunately, as John says in his letter Jesus is expiation for our sins and the sins of the whole world. Repent, and our sins are wiped away. How can I be a witness? How do I explain what the presence of Jesus in my life means?"

I Was Sick & You Visited Me. Please pray for the sick & housebound
