Universal - The treasure of Families. That any far-reaching decisions of economists and politicians may protect the family as one of the treasures of humanity. The Pope adds a second, more urgent intention each month, which is published on the Apostleship of Prayer website.

It will involve a DBS check, (which some of you already have)

You are reminded that smoking is not permitted in **any Church building or any external areas, including the Car Park.** If you wish to smoke please go onto the **public pavement.**

In September 2017 Pope Francis launched a new campaign in support of refugees & migrants. The share the journey campaign brings together more than 200 Catholic organisations, including CAFOD. Together we will call on our government & on all people, to play their part in welcoming & protecting people forced to flee their homes due to poverty, war, persecution, or natural disaster. The Pope's action aims to highlight the Church's commitment to sharing the journey of people on the move. Now world leaders must be moved to do the same as they negotiate new UN global agreements on refugees & migrants. WHAT CAN WE DO? To show solidarity with our brothers & sisters, we have been asked to 'Share the Journey' by joining together as parishes or communities & organising a walk. It may only be a couple of miles but the idea is to walk, talk & pray. The aim is to walk 24,900 miles around the globe. If 50 people from the Church of the Assumption walk 2 miles we take 100 off the journey. If you are unable to join the walk please sign the campaign cards, the more cards that drop on the mat in Downing Street the better.

JOIN THE PARISH IN OUR OWN 'SHARE THE JOURNEY' WALK SATURDAY AUGUST 18TH. LEAVING THE CAR PARK AT 9.30AM. REFRESHMENTS ON RETURN.

If you are unable to walk a couple of miles how about several rounds of the church car park? There is a start & finish prayer on the campaign card. Cards available on 11/12 August, just let the CAFOD team know how many circuits have been completed. As Bishop Mark said recently, many of us are descendants from either economic migrants or refugees; this is food for thought.
